**Professional History**

**Attorney, Wilmer Cutler Pickering Hale & Dorr LLP, Washington, DC 1/08-present**

- Serve as expert-advisor on issues of attorney-client privilege, work product doctrine and joint defense issues grounded in U.S., foreign and international common law.; develop procedures for asserting privilege claims in response to government investigations, civil litigation and grand jury matters; successfully negotiate numerous privilege claim modifications with government agencies; advise industry associations on privilege protection, particularly in the banking, high-tech and energy sectors. Recent matters include the following:
  - ▶ Advise numerous major financial institutions on complex U.S. and international privilege issues and privilege claim procedures in matters before the SEC, CFPB, OCC and FINRA.
  - ▶ Advise financial institution consortium on implementation of common legal interest doctrine to protect shared materials
  - ▶ Guide large, national software company in cutting-edge joint defense arrangement in response to claims by patent assertion entities
  - ▶ Counsel national energy company of privilege and related constitutional issues implicated by ongoing state and federal criminal antitrust investigations
  - ▶ Advise joint legal team representing multi-national oil and gas corporation on privilege issues impacting numerous ongoing government investigations and private litigation
  - ▶ Formulate privilege protection strategy for major pharmaceutical company on novel foreign and U.S. privilege issues impacting multi-national patent litigation.
  - ▶ Counsel defense teams on responses to congressional inquiries that implicate privilege material
  - ▶ Represent Asian-based manufacturer in response to U.S. criminal cartel investigation, including developing privilege claim strategy involving U.S. and foreign privilege law.
  - ▶ In 2014, lead privilege teams and develop privilege claim strategy in response to two contested mergers, each involving at least a \$700 million transaction
- Address a variety of antitrust investigatory issues, including resale price maintenance, non-compete agreements, field-of-use-restrictions; tying arrangements; network effects; and state below-cost pricing regulations.
- Author and contribute to professional articles; train attorneys on privilege law principles.
- Engage in *pro bono* service, including landlord-tenant litigation, counseling community associations, counseling and developing privilege guidelines for a foreign language interpreter provider, and counseling the Chesapeake Bay Foundation in connection with litigation and related privilege issues.

**Staff Attorney, Wilmer Cutler Pickering Hale & Dorr LLP, Washington, DC**

**12/99-12/08**

- Duties same as those listed under the Attorney position, above, except that the Attorney position was a promotion to a more senior specialist rank within the Firm.

**Associate, Redmond, Burgin & Gutierrez, Baltimore, Maryland**

**5/98-8/99**

- Engaged in most aspects of civil litigation involving insurance coverage, aviation, commercial, admiralty, auto tort and construction/utility issues, including drafting pleadings, drafting and arguing motions, drafting and responding to discovery requests, defending depositions, trial advocacy and negotiation.
- Drafted legal opinion letters to the Maryland Insurance Administrator regarding HMO-insurance conflicts.
- Drafted insurance coverage, warranty, maritime lien and settlement agreements.

**Contract Counsel, First American Title Insurance Company, Washington, DC**

**5/97-10/97**

- Coordinated with in-house staff and outside counsel on real estate settlements involving large real estate transactions and managed a multi-million dollar, multi-party closing.
- Responded to in-house contract issues involving finance leases and warranties.
- Counseled agents regarding professional obligations.

**Contract Attorney, StaffWise, Inc., Washington, DC**

**2/97-5/97; 11/97-4/98; 8/99-12/99**

- Drafted antitrust investigation interrogatory responses and white papers.
- Traveled to client facilities and counseled clients on Second Request compliance.
- Conducted document review and drafted privilege logs in response to antitrust civil investigative demands and second requests.
